Find Case

- From Welcome to C.A.R.E. Screen the best way to locate information for a case or information about parties to a case is to click on the "Find Case" button.
- * Case refers to the individuals with the court action.
- * Party refers to a person related to the case such as parents or an attorney.

Use the top two rows of tabs to access other case information.

Relationship Tab

Critical Messages

Clicking on the symbols in the bottom section will display a list of the critical messages listed here.

Dispositions Tab

Clicking on the "Disposition" or "Description" will bring up additional information.

Clicking on "View" will bring up a copy of the court order associated with the disposition. The court orders are in Adobe format and can be printed. The court orders are digitally signed. This type of signature on a court order is acceptable for eligibility purposes.
